**2007 50th Anniversary (limited edition)
Mercedes SL550 Roadster
Hardtop Convertible
Original Price \$104,000+
(Just over 6,000 miles) A RARE GEM!**

Hard to imagine it could get any more exclusive. For 50 years, the Mercedes-Benz SL Roadster has been one of the most desirable vehicles on the road. To celebrate the anniversary of the 300SL Roadster, we've designed what is perhaps the most exclusive SL to date. Underneath its Pewter metallic skin and retractable hardtop, this limited-edition SL 550 features some striking luxuries, including Cognac Brown leather upholstery, 18" twin-spoke wheels and 50th Edition floor mats. Black Ash wood interior trim can be found throughout the cabin, and a rear shelf bag is included as standard equipment. However, due to its exclusive nature, only a limited number of the SL 550 Anniversary models will be available, so you'll have to move fast to get one.

Exclusive Cognac Brown Leather Upholstery A perfect complement to the Pewter metallic exterior and Black Ash wood interior trim, this exclusive leather is as pleasing to the eye as it is to the body.

Exclusive Anniversary Edition Floor Mats Mercedes-Benz is all about the details. And these special 50th Edition floor mats let you know that no detail is too small.

Exclusive Anniversary Edition Rear Shelf Bag To help you make the most of the space inside the SL 550 our large rear shelf bag with an exclusive Anniversary Edition tag is the perfect place to store any extras you want to bring along for the ride.

18" Twin-spoke Wheels Not available on any other SL model these aluminum wheels look fast even when the SL is standing perfectly still.

Pewter Metallic Exterior Color As the golden anniversary of the 300 SL Roadster, it seemed only appropriate that we would choose this, one of the most spectacular colors to ever appear on a Mercedes-Benz.

Black Ash Wood Interior Trim Highlighting the already-beautiful interior is this gorgeous shade of good trim found throughout the cabin.

Additional Standard Equipment 5.5-liter, 382-hp V-8 engine, Bi-Xenon headlamps with corner-illuminating foglamps, Keyless Go, Active Ventilated Seats, Trim Package consisting of wood/leather steering wheel and shift knob, 8-speaker digital Bose Cabin surround TM sound system with 6-disc CD changer, SIRIUS Satellite Radio, DVD-based Navigation System, Hands-Free Communication System including Bluetooth® capability (interfaces sold separately), Tele Aid, integrated garage door opener, 12-way power seats with adjustable lumbar support with 3-position memory and two levels of heat, dual-zone automatic climate control, automatic comfort lighting, five air bags for both front- and side-impact protection, Brake Assist, Active Body Control (ABC), Electronic Stability Program (ESP®) and electrohydraulic brakes.
